

Become a Friend of the OEF!

The Oakland Education Foundation (OEF) is a non-profit organization that supports and enhances the education of the children of all four schools in our district. We pick up where your tax dollars leave off. Our Foundation works hard to raise money to support our administration and teachers and get funding directly into our schools.

Over the years, the OEF has donated well over \$300,000 to fund teacher grants, new technology, educational initiatives and college scholarships. The OEF has helped finance two Science Labs at Valley Middle School, the Fifth Grade Buehler Challenger Experience, the IXL math program and the district-wide Parent Portal, just to name a few. In partnership with the Oakland Board of Education, the OEF has also supported the new WOOD/STEAM/TECH district wide initiative as well as the Balanced Literacy Program.

Please consider helping us in our endeavor to support the tradition of educational excellence in Oakland by becoming a "Friend of the OEF". You can join our supporters with a contribution of only \$5 per family. As a Friend of the OEF, you will receive invitations to our events and information about our fundraising efforts as well as grants and initiatives we are funding.

Please visit our website www.oefnj.org and like our Facebook page. If you would like to become a "Friend of the OEF", please complete the form below and return it to school with one of your children along with your donation. Please make checks payable to the Oakland Education Foundation.

NFP-TAX ID Disclosure: The Oakland Education Foundation is a non-profit organization and holds tax-exempt status as a 501(c)(3) corporation. The state of New Jersey tax ID is 22-3226000.

Thank you for your support!
