The Oakland Education Foundation (the "OEF") is honored to offer our Teacher Grant Program for the 2016-2017 school year. This program is for teachers, administrators and/or staff of the Oakland Public Schools. Grants are for educational projects that align with the Common Core State Standards and enhance the learning process.

The OEF has allocated a total of \$5,000 for the 2016-2017 Spring Teacher Grant Program for the Oakland Public Schools K through 8<sup>th</sup> grade. Funding will be given based on grant application needs and at the discretion of the OEF.

Together we can generate innovative, creative projects and bring excitement to our classrooms. Thank you for your participation in this program. We look forward to reading your application.

## 2016-2017 Teacher Grant Application

*The Oakland Education Foundation (the "OEF") is an independent, non-profit organization made up of volunteers dedicated to advancing and improving our students' education. To further these purposes, the OEF has instituted a new grant program (the "OEF Grant Program"), which will be made available to qualifying teachers, administrators and staff in the Oakland Public Schools (the "Grant Applicants") for the 2016-2017 school year. The OEF has formed a committee (the "OEF Grant Committee"), which will serve as the liaison between the Grant Applicants and the OEF. Grant Applicants that are chosen to participate in the OEF Grant Program (the "Grant Awardees") shall be selected at the discretion of the OEF and the OEF Grant Committee.*

### **Grant Guidelines:**

1. The grants shall be used for projects ("Grant Projects") that are not already financed through the Oakland Board of Education budget.
2. It is encouraged, but not mandatory, that Grant Projects align with district literacy and/or technology initiatives.
3. Grant Projects shall **not include** after-school activities, field trips, purchasing of furniture for classrooms and/or funding of school transportation.

### **Grant Procedure:**

1. Grant Projects shall be funded on a collaborative basis only. The collaborative grants shall include:
  - a. **Building Grant:** A grant funded for a team of teachers/staff within one building.
  - b. **District Grant:** A grant funded for a team of teachers/staff across the district.
2. The next grant submission deadline: **Wednesday, March 15, 2017**
  - Please note: All Grant Applicants may be asked to present their proposal in person to the OEF Grant Committee. Once the applications are submitted and reviewed, if applicable, the Grant Applicants will be notified of the date for presentation of their Grant Project.
3. All Grant Awardees shall submit a project report to the OEF Grant Committee, which shall be completed and submitted within 45 days of the conclusion of the Grant Project.
4. All Grant Applicants must complete a grant application as detailed on the attached and submit such application, along with all appropriate approvals, on or before the above submission deadlines.

## *2016-2017 Teacher Grant Application*
